

CALL FOR PAPERS

NCAITC-2020

4th National Conference on

Advances in Information Technology and Computing

December 22nd -23rd, 2020 (Tuesday-Wednesday),

(Theme: Artificial Intelligence , Cyber Security & Machine Learning)

Department of Information Technology, SNIST, Hyderabad -501301

Jointly organized by

International Scientific Research Organization for
Science, Engineering and Technology

The World's Rapidly Growing Professional Organization for the Science, Engineering & Technology

Topics

- Algorithms- Optimizations
- Artificial Intelligence
- Android Applications
- Big Data Applications
- Block Chain Applications
- Cloud Computing Applications
- Computational Intelligence
- Cyber Security Applications
- Data Mining, Data Analytics,
- Data Science Applications
- Deep Learning
- E-commerce/E-Learning
- Machine Learning
- Medical Applications
- Mobile Computing
- Networks & Security,
- Online applications/Translators
- Predictive Analytics
- Software Engineering,
- Smart Computing
- Security Measures
- Smart Cities/Smart Farming
- Image Processing
- Information retrieval
- IoT (Any Domain)
- UAV applications
- Web Semantics

Any inter discipline area related to
Information Technology and Computing

All accepted papers will be published in conference proceedings and also in

Int. J. of Sci. Research in Computer Science and Engineering (IF 1.638; ISSN 2320-7639)

World Academics Journal of Engineering Sciences (ISSN 2348-635X)

Indexed in: <https://www.isroset.org/journal/WAJES/indexing.php>

FOR PAPER FORMAT AND COPYRIGHT <https://www.isroset.org/journal/IJSCSE/login.php>
